# How EUREKA! Winning Ways WORKS

## Step 1 - Eureka! 7.0 Idea Engineering

### Customization for Your Unique Situation

A 2 hour meeting gathers insights. An online survey measure your team's "readiness to create & execute growth ideas."

### Your Team Works TOGETHER on Growth

In a one day session, your team simultaneously engineers your customer promise product AND product reality. Ideas are developed for: 1) more effective sales messages, 2) new customers or markets & 3) new or improved products or services as research finds these are the richest areas to explore for growth.

## Step 2 - Merwyn Research

### Your Team Selects Ideas With Greatest Odds of Success

Merwyn research aligns your team on those growth ideas with the greatest chance of generating CUSTOMER PULL.

### Diagnostics help you improve your odds of success

- Overt Benefit - *helps drive customer interest*
- Real Reason to Believe - *increases sales closing rates*
- Dramatic Difference - *increases profitability*

## Step 3 - Trailblazer Development

### Collective Brain Power Creates Action Plans

Your team works together to develop a step-by-step action plan for turning the top growth ideas into reality. Importantly, the process reduces risk while it also accelerates time to market.

### 30 Day Coaching turns ideas into REALITY

Weekly coaching sessions keep your project leaders on track, accelerating learning by applying rapid cycles of "fail fast - fail cheap- get smart" learning. The result is a 95%+ success rate discovering and developing ideas that you feel confident taking to market - to get you growing NOW.

## THE RESULTS...

### Hilarie Meyer of Campbell Hausfeld says

*It gave us a new focus on the end user and on making our products different. The result is a projected \$12 million in new sales this year and nearly 3 times that amount down the line.*

### Richard Powell of Brunson Instruments says

*The program helped us get focused, so rather than just constantly talking, we're actually taking 3 products to market.*

### CJ Buck of Buck Knives says

*Eureka! opened up new market opportunities for us which could grow our company by 400%. You'd be a fool not to do it.*

### Gary Marmer of Questech says

*With our first idea from (Eureka! Winning Ways), we could triple the size of our business.*

### Bruce Boxterman of Richards Ind. says..

*We went from the Eureka! Winning Ways session to launching a new product line in just over four months that's delivered millions.*

### Craig Kurz of the HoneyBaked Ham says

*The ideas developed were so effective they doubled our sales this past holiday season!*

### Sam Pratt of Rockland Manufacturing says

*The most complete growth process we've ever discovered.*
